

## SESSION FEE:

\$200

The session fee includes the time it takes to shoot your session, + a private password protected proofing gallery (typically 20-40 images) for you to order prints/digitals/other products from.

The session fee includes a \$50 print/product credit to use towards your purchase of a collection/a la carte order. Digital Collections and a la carte prints are available to purchase directly from your proofing gallery.

## DIGITAL COLLECTIONS:

### 1. \$600

This package includes all of your final, edited images as shown in your gallery. Digital files are sent via digital download.

### 2. \$400

This package includes your choice of 7 images as shown in your gallery. Digital files are sent via digital download.

You may also order a la carte prints, digitals, or other products in addition to a digital collection, or instead of a digital collection. See next page for a la carte menu.
